Responsibility as a digital Citizen

- As a digital citizen who has digital access I make sure that no one is denied digital access
- As a responsible digital user It is my responsibility that I only engage in legal activity e.g. buying legal products online. And not do criminal activity.
- I have to make sure that I communicate with people I know and not abuse the system.
- I must make sure that I am up to date with the new technologies that emerge and understand and learn these technologies as soon as possible.
I must not misuse my digital access. I use my access responsibly.
- I respect other peoples content thus I do not engage in illegal content e.g. piracy.
- I have the right to privacy but I also have the responsibility to use the technology in an appropriate manner.
- I know that there are health risk that come with using technologies thus I must use it in a manner in which I do not pose a risk to my health.
